Unusual Fire and Explosion Hazards: None Known  SECTION V – PHYSICAL HAZARDS  Stability: Unstable Conditions to Avoid: None Known
Stability: Unstable Conditions to Avoid: None Known
Stable X
Incompatability (Materials to avoid): Do not mix with other chemicals
Hazardous Decomposition Products or By-Products: Thermal decomposition on burning may produce toxic vapors or gases.
Hazardous Polymerization: Will Occur Conditions to Avoid: None Known
Will Not Occur X
SECTION VI – HEALTH HAZARDS
Route(s) of Entry: Inhalation? X Skin? X Ingestion? X
Health Hazards (1. Acute and 2. Chronic)
1. ACUTE: Harmful if swallowed. 2. CHRONIC: None known.
Chemical Listed as a Carcinogen National Toxicology I.A.R.C. OSHA
Or Potential Carcinogen Program No X Monographs: No X No X
Signs and Symptoms of Exposure: Slight irritation or burning sensation.  Medical Conditions Generally Aggravated by Exposure: None Known.
Emergency and First Aid Procedures: EYE CONTACT: Flush immediately with water for 15 minutes. Hold eyelids open while flushing. If irritation persists, contact a
physician. SKIN CONTACT: Remove contaminated clothing and flush with water for 15 minutes. If irritation persists, contact a physician. INGESTION: Do not induce
vomiting. Rinse mouth with water followed by drinking 1-2 large glasses of water. Never give anything by mouth to an unconscious person. Get immediate medical attention.
SECTION VII – PRECAUTIONS FOR SAFE HANDLING AND USE
Steps to be Taken in Case Material is Released or Spilled – If possible, contain spill and collect in approved container. Rinse affected area thoroughly with water. Keep
product out of storm sewers or waterways. Hold for disposal. Waste Disposal Method – Dispose of in accordance with local, state and Federal regulations. If possible, triple
rinse container, and recycle. Precautions to be Taken in Handling and Storing – Avoid contact with eyes, skin and clothing. Do not ingest. Use with adequate ventilation. Store
in original container, in cool dry place. Keep out of reach of children. Keep container tightly closed when not in use. Other Precautions – N/A
SECTION VIII - CONTROL MEASURES
Respiratory Protection (Specify Type): Not required if adequate ventilation maintained. Otherwise, NIOSH approved respirator.
Ventilation: Local Exhaust: Not required Mechanical (General): Not required Special: N/A Other: N/A
Protective Gloves: Required Eye Protection: Required Other Protective Clothing or Equipment: Not required
Work/Hygiene Practices: Good housekeeping practices apply. Wash thoroughly after handling.

The goal of defining precisely, in measurable terms, every possible health effect that may occur in the workplace as a result of chemical exposures cannot realistically be accomplished. The information and recommendation contained in this Material Safety Data Sheet are supplied pursuant to 29 C.F.R. 1910.1200 of the Occupational Safety and Health Standards Hazard Communication Rule. The information and recommendations set forth herein are presented in good faith and believed to be correct as of the date hereof. Twi-Laq Industries, Inc., however, makes no representations as to the completeness or accuracy thereof, and information is supplied upon the express condition that the persons receiving the same will be required to make their own determination as to its suitability for their purposes prior to use. In no event will Twi-Laq Industries, Inc. be responsible for any damages of any nature whatsoever resulting from the use of, reliance upon, or the misuse of this information. The information as supplied herein is simply to be informative and intended solely to alert the user of the substance which is the subject matter of this Material Safety Data Sheet. The ultimate compliance with federal, state and local regulations concerning the use or disposal of this compound, or compliance with respect to products liability, rests solely upon the purchaser thereof.
