

# Stone-Glo Products, Corp.

1345 Seneca Ave., Bronx, New York (718) 638-5860 1-(800) 950-SOAP

## Product Information

Product/chemical name – **Stone Enhancing Sealer**

Date Issued: 6/17/09

## Ingredient Information

This product contains no reportable carcinogens or suspected carcinogens.

This product contains no reportable hazardous ingredients. This Material Safety Data Sheet contains information on goods industrial practice for safe handling of all industrial chemicals.

## Physical Data

Appearance / Odor – White, Milky, moderate ester. Boiling Point (°F) – N/A Vapor Pressure – N/A  
Specific Gravity (Water =1) – 1.051 Solubility in water – 8.7504  
Freezing Point (°F) – N/A Evap. Rate (Butyl Acetate =1) – N/A PH(1% soln) – 3

## Fire and Explosion Information

Flash Point (°F) – 248 degrees F Extinguishing media – Water spray, Carbon Dioxide Flash point method – N/A

Special fire fighting procedures – None Known Flammable Limits – N/A

Unusual fire and explosion hazards – None Known

## Health Hazard Data

Primary routes of entry

Signs and symptoms: Inhalation: Prolonged over to vapors or dust in poorly ventilated areas may cause nose and throat irritation, and throat. Ingestion: May cause mouth and throat, esophagus and stomach irritation, nausea vomiting and diarrhea. Skin: Prolonged or repeated contact with product may cause mild irritation, and conjunctivitis.

### First Aid Procedures:

In case of eye contact, flush immediately with plenty of water for at least 15 minutes and get medical attention; for skin, wash thoroughly with soap and water while removing contaminated clothing and shoes. Wash contaminated clothing and shoes. Wash contaminated clothing. Thoroughly clean contaminated shoes. If affected by inhalation of vapors or spray mist, remove to fresh air. If swallowed, get medical attention immediately.

## Reactivity Data

Stability – Stable Conditions to avoid – Temperatures of 100°C and above. Hazardous polymerization – N/A

Incompatibility (materials to avoid) – None reasonably foreseeable.

Hazardous decomposition products – Incomplete combustion can produce carbon monoxide.

## Spill or Leak Procedures

Steps to be taken in case material is released or spilled – Avoid breathing vapors. Ventilate area. Contain and remove with inert absorbent and non sparking tools. Dispose of in accordance with local, state and federal regulations. Do not incinerate closed containers. Incinerate in approved facility.

## Special Protection Information

Respiratory Protection (specify type) – avoid breathing spray mist. If sprayed, wear mechanical filter respirator to remove solid particles of overspray. Follow respirator manufactures directions for respirator use.

Ventilation – Provide general clean air dilution or local exhaust ventilation in volume and pattern to prevent air contaminant concentration build-up.

Other Protective Measures- None required.

## Special Precautions

Precautionary labeling - Caution: KEEP OUT OF REACH OF CHILDREN

Other handling and storage conditions – Do not store above 100 degree F. Keep containers closed when not in use and upright to prevent leakage. Wash hands after using and before eating.

## Additional Information
